

Three 4G MiFi

Quick Start Guide

CJB74V0HWAAC

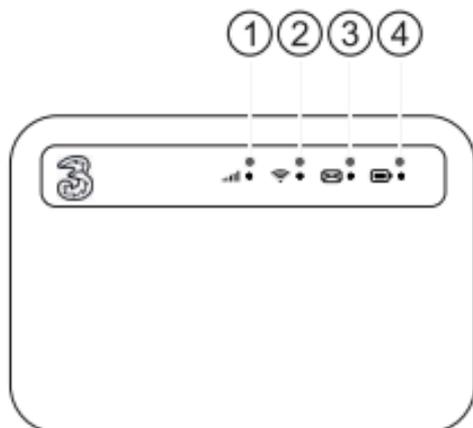

Overview

Buttons

① Power button	<ul style="list-style-type: none">• Press and hold for 3 seconds to power on or off your device.• Press and hold for 10 seconds to reboot your device.
② Micro USB port	Connect to a power supply (5V/1A) using the provided USB cable.

Status LED

①Signal Indicator

- Solid blue: your device is connected to the internet and signal is strong.
- Solid red: your device has no network service, no SIM inserted or signal is weak.
- Flashing blue: your device is disconnected from the internet.

②Wi-Fi Indicator

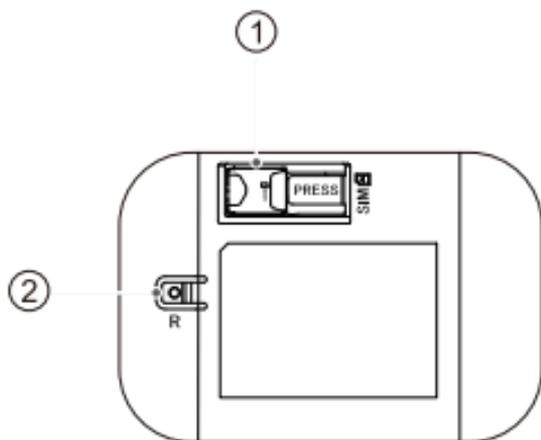

- Solid blue: Wi-Fi is on.
- Off: Wi-Fi is off.

③SMS Indicator

- Solid blue: you have unread message(s).
- Flashing blue: your inbox is full.
- Off: you have no unread messages.

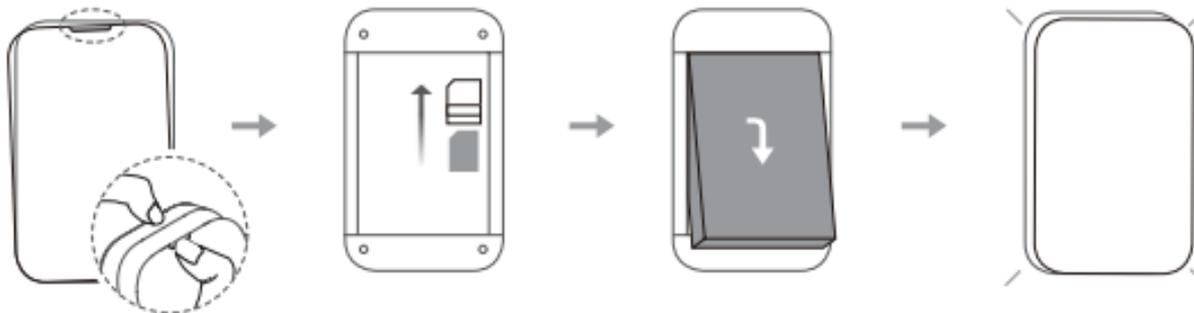

④Battery Indicator

- Solid blue: battery level is 21% - 100%
- Flashing blue: the device is charging
- Solid red: battery level is low (<20%)

① SIM slot	Insert a nano SIM into the slot.
② Reset button	Depress the button for 3 seconds using a paperclip to reset the device.

Insert the SIM and Battery

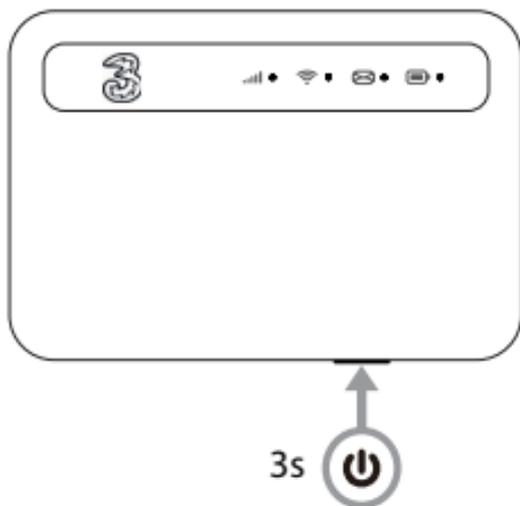

Notes:

- Before inserting your SIM and battery, make a note of the default SSID and Wi-Fi password on the label inside your Three 4G MiFi.
- Check the orientation of your SIM. Make sure you align the SIM with the slot and slide it into the slot until it sits properly.
- Remove the battery if your device is not used for over one week.

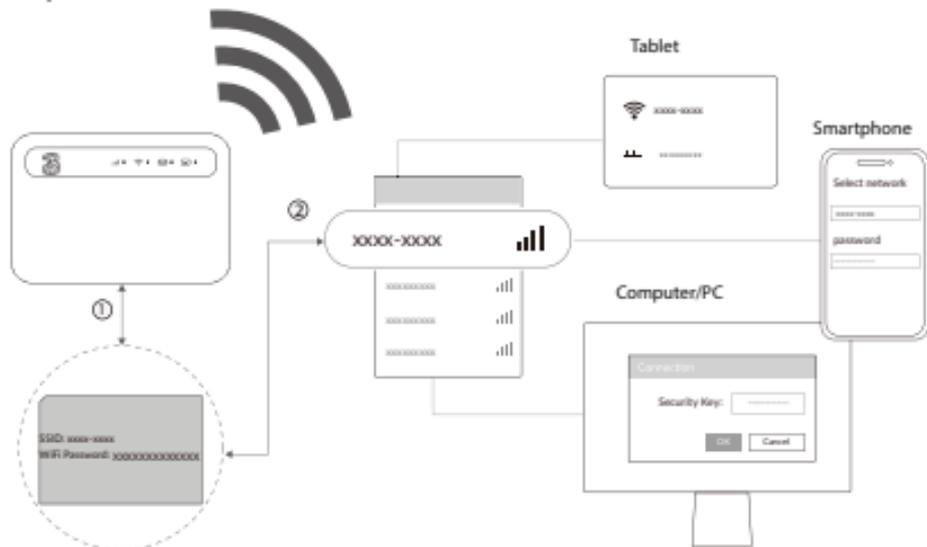

Power On

Press and hold the power button for 3 seconds to turn on your Three 4G MiFi.

Connect a device to your Three 4G MiFi

1. Make sure you've made a note of the Wi-Fi name (SSID) and password on the label underneath the battery.
2. Open the connection settings of the device to be connected, such as a PC, tablet, or smartphone, search for the Wi-Fi name (SSID) and click on it to connect to the Wi-Fi network. Enter the password when prompted.

Configure the Network

To configure the network:

1. Open a web browser on the device connected to the Three 4G MiFi network.
2. Navigate to <https://192.168.1.1> and log into the User Interface to configure the desired settings.

Note: To get the default login password, remove the back cover of your Three 4G MiFi and check the label located underneath the battery. A User Manual can also be found in the Help section once you've logged into the User Interface.

Important Safety Information

Read all the safety information before using your device. Failure to follow these safety instructions could result in injury, or damage to your device or other property. The manufacturer disclaims any liability for damage, which may result as a consequence of improper use or use contrary to the instructions contained herein.

Safety and handling instructions

- Do not use the device in areas where wireless devices are prohibited.
- When the device is switched on, it should be kept at least 15 cm from any medical device such as a pacemaker, a hearing aid, or an insulin pump. Consult your physician and medical device manufacturer for information specific to your medical device.
- Do not let children use the device and its accessories without supervision.
- Always handle your device with care, and keep it in a clean and dust-free place.
- Do not attempt to repair the device yourself.
- Do not drop, throw, or bend your device.
- Do not dispose of the device and its accessories in a fire.

Power adapter

Charge your device with the supplied USB cable. Only charge with an adapter that is compliant with the applicable international and regional safety standards. Using other adapters could cause damage to the device or pose a risk of injury or death. Keep the adapter in a well-ventilated area when it is plugged into an electrical outlet. Don't use damaged power adapters.

Recommended adapter specifications

Model	UC11
Input voltage/AC frequency	100~240 V, 50/60 Hz
Output voltage/current/power	5.0 V/1.0 A/5.0 W
Average active efficiency	73.8%
No-load power consumption	0.08W

Battery

CAUTION: RISK OF EXPLOSION IF BATTERY IS REPLACED BY AN

INCORRECT TYPE. DISPOSE OF USED BATTERIES ACCORDING TO THE INSTRUCTIONS.

In accordance with air regulations, the battery of your product is not fully charged. Please charge it first.

- Do not attempt to open the battery (due to the risk of toxic fumes and burns).
- Do not puncture, disassemble, or short circuit the battery.
- The battery must be recycled or disposed of separately from household waste. Dispose of batteries according to your local environmental laws and guidelines.
- Replace the battery only with another qualified battery. Use of an unqualified battery may present a risk of fire, explosion, leakage, or other hazard.
- Do not use damaged battery.

Operating environment

Your device is designed to work best in ambient temperatures between 0 °C and 45 °C (32 °F and 113 °F), and should be stored in ambient temperatures between -10 °C and 70 °C (14 °F and 158 °F). Your device may malfunction if operated or stored outside of these temperature ranges. Avoid exposing the device to dramatic changes in temperature or humidity.

Specific Absorption Rate (SAR)

This device meets international guidelines for exposure to radio waves.

The radio wave exposure guidelines use a unit of measurement known as the Specific Absorption Rate, or SAR. The SAR limit for mobile devices is 2 W/kg for body, and 4 W/kg for limb.

Maximum SAR for this model and conditions under which it was recorded

Body-worn SAR (5 mm)	WCDMA Band 3 + Wi-Fi 5GHz	1.70 W/kg
Limb SAR (0 mm)	WCDMA Band 3 + Wi-Fi 5GHz	3.72 W/kg

Frequency band

This product operates with the following frequency bands and maximum radio-frequency power:

Frequency band	Maximum radio-frequency power
UMTS Band 1 (2100MHz)	23 dBm

UMTS Band 3 (1800MHz)	23 dBm
UMTS Band 8 (900MHz)	24.5 dBm
LTE FDD B1/20/28/40 (2100/800/700/2300 MHz)	24.5 dBm
LTE FDD B3 (1800 MHz)	23.9 dBm
LTE FDD B7/8 (2600/900 MHz)	24.0 dBm
LTE TDD B38 (2600 MHz)	23.5 dBm
802.11 b/g/n 2.4GHz	18.97 dBm
802.11 a/n/ac 5150 – 5350 MHz	18.96 dBm
802.11 a/n/ac 5470 – 5725 MHz	19.24 dBm
802.11 a/n/ac 5725 – 5875 MHz	12.92 dBm

Restrictions:

This equipment may be operated in all European countries. The 5150-5250 MHz¹ of Wi-Fi 5 GHz can be used indoors and outdoors only when the equipment is

1 Depending on the device you purchased.

not attached to a fixed installation or to the external body of road vehicles, a fixed infrastructure or a fixed outdoor antenna. The 5250-5350 MHz¹ of Wi-Fi 5 GHz can be used inside buildings only. The 5470-5725 MHz¹ band of Wi-Fi 5 GHz can't be used in road vehicles, trains, aircraft or UAS (Unmanned Aircraft System) scenarios for the following countries:

	BE	BG	CZ	DK	DE	EE	IE	EL	ES
	FR	HR	IT	CY	LV	LT	LU	HU	MT
	NL	AT	PL	PT	RO	SI	SK	FI	SE
	NO	IS	LI	CH	TR	UK (NI)			

	Third countries								
	UK								

This radio equipment is also subject to certain restrictions when it is placed on the market in United Kingdom (UK):

In accordance with the relevant statutory requirements in the UK, the 5150 to 5350 MHz frequency range is restricted to indoor use in the United Kingdom.

Radio Equipment Directive Declaration of Conformity

Hereby, TCL Communication Ltd. declares that the radio equipment type MW63V3 is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU. The full text of the EU declaration of conformity is available at:
https://www.tcl.com/global/en/EC_DOC

Hereby, TCL Communication Ltd. declares that the radio equipment type MW63V3 is in compliance with the Radio Equipment Regulations 2017. The full text of the UK declaration of conformity is available at: https://www.tcl.com/global/en/EC_DOC

Hereby, TCL Communication Ltd. declares that the radio equipment type MW63V3 is in compliance with The Product Security and Telecommunications Infrastructure (Security Requirements for Relevant Connectable Products) Regulations 2023. The full text of the PSTI Statement of Compliance is available at:
https://www.tcl.com/global/en/EC_DOC
The support period of the device can be found at:
<https://www.tcl.com/uk/en/support-mobile/software-security>
The information on how to report security issues of the device can be found at: <https://src.tcl.com/en/index>

Waste disposal and recycling

The device, accessory and battery must be disposed of in accordance with locally applicable environmental regulations.

This symbol on your device, the battery, and the accessories means that these products must be taken to:

- Municipal waste disposal centres with specific bins.
- Collection bins at points of sale.

They will then be recycled, preventing substances being disposed of in the environment.

In European Union countries: These collection points are accessible free of charge. All products with this sign must be brought to these collection points.

In non-European Union jurisdictions: Items of equipment with this symbol are not to be thrown into ordinary bins if your jurisdiction or your region has suitable recycling and collection facilities; instead they are to be taken to collection points for recycling.

Software update

The connection costs associated with finding, downloading and installing software updates for your Three Mobile MiFi will vary depending on the offer you have subscribed to from your telecommunications operator. Updates will be downloaded automatically but their installation will require your approval. Refusing or forgetting to install an update can affect your device's performance and, in the event of a security update, expose your device to security vulnerabilities. For more information about software update, please go to tcl.com

Privacy statement of device usage

Any personal data you shared with TCL Communication Ltd. will be handled in accordance with our Privacy Notice. You can check our Privacy Notice by visiting our website:

<https://www.tcl.com/global/en/communication-privacy-policy>

Disclaimer

There may be certain differences between the user manual description and the device's operation, depending on the software release of your device or specific operator services. TCL Communication Ltd. shall not be held legally responsible for such differences, if any, nor for their potential consequences, which responsibility shall be borne by the operator exclusively.

Limited warranty

As the consumer You may have legal (statutory) rights that are in addition to those set out in this Limited Warranty offered by Manufacturer voluntarily, such as the consumer laws of the country in which You live ("Consumer Rights"). This Limited Warranty sets out certain situations when the Manufacturer will, or will not, provide a remedy for the TCL device. This Limited Warranty does not limit or

exclude any of your Consumer Rights relating to the TCL device.

For more information about limited warranty, please go to

<https://www.tcl.com/global/en/warranty>

In case of any defect of your device which prevents you from normal use thereof, you must immediately inform your vendor and present your device with your proof of purchase.
